One day Entebbe adventure

Early in the morning after your breakfast, a representative from the Uganda Safari Chapter will pick you up from your hotel and then transfer you to Entebbe. Here, you will embark on the mabamba swamp birding excursion. Once there, you will get on a canoe boat and head to the swamp with the help of a local guide with expertise in paddling through the swamps vegetation. Species of birds to be seen may include the vulnerable shoebill stork, the African water Rail, long Toed Plover, Squacco Heron, Goliath, Purple, Grey and Black Headed Herons, Pygmy Goose, Yellow billed Duck, White faced Whistling Duck, Swamp moorhen, Allen’s Gallinule, Black Crane, African Jacan and many more. The Sitatunga antelope (swamp antelope) may be spotted. The excursion may take you about…….

Later on, you will be transferred to the Uganda Wildlife Education Center still in Entebbe. Here you will get to visit the various carnivores, Hoof stock, birds, primates and reptiles that are resident here.

You will then head to Faze 3 for lunch.

Later in the afternoon, if time allows, you will get to visit the Entebbe Crafts Market. This gives you the feel of Africa as it has a lot of African stuff that depict our Origins. (Good place for buying traditional items and African souvenirs.) Later in the evening, you will be transferred back to your hotel. End of trip

Cost is

If its 1 pax, cost is US$449
If its 2 pax, cost is US$282 per person.

Cost includes..... Mabamba swamp, UWEC entrance fees, lunch, transportation to and from your hotel.

A day’s trip to Bulago island

After breakfast, your guide will collect you from the hotel and drive you to Munyonyi to take your boat ride to Bulago Island. With 6kms of sandy beaches and almost 10kms of shore line on 500 acres, Bulago is a small paradise away from the hustle of urban life. Surrounded by Lake Victoria its shoreline is made up of rocky outcrops and low cliffs. Around the shore the soil is highly fertile and tree covered. The north-east tip of the island contains a small portion of rainforest. The interior of the island is less fertile and is covered with savannah-like grassland. You will spend your time at the Island on walks through the two dominating hills with great views. There are a lot of bird watching opportunities, water skiing and tubing can be organized for you through a lodge at an extra cost. You will have lunch at the Pineapple bay resort. Spend the rest of day enjoying the sandy beaches
Later in the evening, wait for your transfer boat back to the harbor where your guide will be waiting to transfer you to your next destination or hotel.
